Andrews, Texas 79414

Pursuant to Section 2001.029, Texas Government Code, the Texas Low-Level Radioactive Waste Disposal Commission will receive public comments on the proposed rules contained in a proposed new Subchapter B to be added to Chapter 675, Part 21, Title 31, Texas Administrative Code, such subchapter to be captioned “Exportation and Importation of Waste” (including Section 675.21 to be captioned "Exportation of Waste to a Non-Party State for Disposal," Section 675.22 to be captioned “Exportation of Waste to a Non-Party State for Management or Processing and Return to the Party States for Management or for Disposal and Return to the Party State for Management or Disposal in the Compact Facility,” and Section 675.23 to be captioned “Importation of Waste from a Non-Compact Generator for Management or Disposal”). If adopted, the proposed rules will govern the export and import of low-level radioactive waste and fees associated with those activities. The proposed rules may be found in the February 12, 2010 issue of the Texas Register beginning at page 1028 (35 TexReg 1028).

Generally, in order that all persons who wish to comment may have the opportunity to do so, comments will be limited to a period of 10 minutes per person. However, the person appointed to receive the comments may reduce the 10-minute time period if it appears that all persons who wish to speak may not have the opportunity to speak without such reduction.
