

MOTION PASSED BY UNANIMOUS VOTE WITH ONE COMMISSIONER ABSENT:
NOVEMBER 9, 2011 MEETING

BYLAW BONDING REQUIREMENT

If it is concluded by counsel that state law of Texas Comptroller's policy does not allow the payment of the cost of provision of relevant bonds from monies appropriated to the Texas Low-Level Radioactive Waste Disposal Commission, I move that the bonding requirements in Article VI, Section 11 of the Commission's Bylaws be waived for the purpose of facilitating access to funds appropriated to the Compact Commission by the Texas Legislature.
