

TEXAS LOW-LEVEL RADIOACTIVE WASTE DISPOSAL COMPACT COMMISSION

Order Authorizing the Export of Waste for

US Army Joint Munitions Command Brooks City Base

On or about June 10, 2011, the Texas Low-Level Radioactive Waste Disposal Compact Commission ("Commission") received from US Army Joint Munitions Command Brooks City Base a Petition to Export Class A Low-Level Radioactive Waste for Permanent Disposal ("Petition") in the Energy Solutions site, located near Clive, Utah. The Petition was filed pursuant to Section 3.05(7) of the Texas Low-Level Radioactive Waste Disposal Compact and the Commission resolution dated December 11, 2009, authorizing consideration of such export petitions.

By a majority vote of those present, at the Commission's meeting posted for August 20, 2011, a majority of the members of the Commission approved the Petition filed by US Army Joint Munitions Command Brooks City Base on the terms stated in the Petition, subject only to the following terms and conditions:

1. US Army Joint Munitions Command Brooks City Base will supply to the Commission:
 - a. Manifests and/or reports of volume, mass, and activity sent for ultimate disposal which are satisfactory to the Commission.
 - b. Final reconciliation of waste volume concluded not later than 180 days post Order period.
2. The Period of the shipment of the waste from the site of generation is authorized as effective from August 20, 2011, until such time as the Compact Waste Facility is open and is accepting waste for disposal.

It is hereby ordered that US Army Joint Munitions Command Brooks City Base is authorized to export low-level radioactive waste as requested in the Petition, subject to the terms and condition as stated in this Order. The Petition is attached to this Order.
