

TEXAS LOW-LEVEL RADIOACTIVE WASTE DISPOSAL COMPACT COMMISSION

Order Authorizing the Export of Waste for

VA North Texas Health Care System

On or about October 31, 2011, the Texas Low-Level Radioactive Waste Disposal Compact Commission ("Commission") received from VA North Texas Health Care System a Petition to Export Class A Low-Level Radioactive Waste for Permanent Disposal ("Petition") in the Perma-Fix facility, located in Florida. The Petition was filed pursuant to Section 3.05(7) of the Texas Low-Level Radioactive Waste Disposal Compact and the Commission resolution dated December 11, 2009, authorizing consideration of such export petitions.

By a majority vote of those present, at the Commission's meeting posted for November 9, 2011, a majority of the members of the Commission approved the Petition filed by VA North Texas Health Care System, on the terms stated in the Petition, subject only to the following terms and conditions:

1. VA North Texas Health Care System will supply to the Commission:
 - a. Manifests and/or reports of volume, mass, and activity sent for ultimate disposal which are satisfactory to the Commission.
 - b. Final reconciliation of waste volume concluded not later than 180 days post Order period.
2. The Period of the shipment of the waste from the site of generation is authorized as effective from November 9, 2011, until such time as the Compact Waste Facility is open and is accepting waste for disposal.

It is hereby ordered that VA North Texas Health Care System is authorized to export low-level radioactive waste as requested in the Petition, subject to the terms and condition as stated in this Order. The Petition is attached to this Order.

Signed November 9, 2011

Robert Wilson, Chair

Texas Low-Level Radioactive Waste Disposal Compact Commission
