The Honorable Jim Douglas
Governor of Vermont
109 State Street, Pavilion
Montpelier, VT 05609-0101

Dear Governor Douglas:

Please find attached the invoice for State of Vermont's financial share in support of the Compact Commission's operations. Given that the Commission is still in the infancy stages of its operations, we are just now submitting an invoice and it will cover the (Texas) fiscal year that is just about to end (FY09) as well as the upcoming fiscal year (FY10). Ideally, the Commission should have submitted an invoice for the FY09 pro-rata payment back in February of this year when we first began operations.

Until such time that the Compact Facility is operational and collecting fees to support the Commission, the Commission will continue invoicing the party states for payment of their pro-rata shares of the Commission's expenses pursuant to the provisions of P.L. 105-236.

If you have any questions regarding the Compact Commission's operations, please don't hesitate to call me at your earliest convenience at 806-679-1425.

Very Respectfully,

Michael S Ford, C.H.P., Chair

INVOICE

The Texas Low Level Radioactive Waste Disposal Compact Commission adopted Fiscal Year 2009 and 2010 budgets as it is required to do by P.L. 105-236 and Texas Health and Safety Code, Chapter 403 and Vermont Title 10, Chapter 162.

ARTICLE III. THE COMMISSION

Sec. 3.04. The commission shall:

(6) Approve a budget each year and establish a fiscal year that conforms to the fiscal year of the host state.

As authorized by Article IV of P.L. 105-234, the Commission is billing each party state for its annual payment to support the adopted budgets:

Fiscal Year	Adopted Budget	Vermont Pro-rata Share
FY 2009	\$ 100,000	\$ 25,000
FY 2010	\$ 700,000	\$ 175,000
Total		\$ 200,000

The pro-rata share for the State of Vermont equals \$200,000 for FY09 and FY10 and is payable September 1 or in a timeframe that conforms with your state's statutes. This payment covers the Fiscal Years of the host state that begin September 1 and end August 31.

ARTICLE IV. RIGHTS, RESPONSIBILITIES, AND OBLIGATIONS OF PARTY STATES

Sec. 4.05. Each party state shall do the following:

(6) Provide financial support for the commission's activities prior to the date of facility operation and subsequent to the date of congressional ratification of this compact under Section 7.07 of Article VII. Each party state will be responsible for annual payments equaling its pro-rata share of the commission's expenses, incurred for administrative, legal, and other purposes of the commission.

Please remit your state's payment to:

If a fund transfer is preferable in lieu of mailing payment to a physical address, the information necessary for the transfer can be provided as well. Please have your staff contact Margaret Henderson at 970-519-1588.

Respectfully Submitted,
