RE: Import Agreement (TLLRWDC #2-0052-00)
Partial Condition Removal

Dear Mr. Collins:

Pursuant to the condition expressed as a part of Article II.J. (c) of your Import Agreement (TLLRWDC #2-0052-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission, I have received evidence to me that you have approval from the Southwestern Low-Level Radioactive Waste Compact Commission to export low-level radioactive waste as described in Article II.J. of that Agreement which is in effect until December 31, 2014. Therefore, if you choose to export and dispose of low-level radioactive waste on or after January 1, 2015, you will need a new export authorization from the Southwestern Low-Level Radioactive Waste Compact Commission in order to do so.

Therefore, you are authorized as of the date of your receipt of this communication to import from So CA Edison-San Onofre Nuclear Generating Station to the Compact Facility in Andrews County, Texas such low-level radioactive waste as described in Article II.J. of your Import Agreement (TLLRWDC #2-0052-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission through December 31, 2014.
