Re: Request for an extension of Monticello Import Agreement

Dear Leigh,

The Xcel Energy Monticello Nuclear Generating Plant would like to request amendment to our Import Agreement, # 1-0045-02, to change the expiration date of December 31, 2014 to January 31, 2015 and to change the Tc-99 activity from to 7E3 microcuries to 7E4 microcuries.

Sincerely,
