Subject: Requesting Amendment to TLLRWDC# 2-0070-00

Dear Ms. Ing:

The Commission approved Philotechnics' application and voted to enter into an agreement for importation of low-level radioactive waste into the Compact under Agreement TLLRWDC# 2-0070-00. During the July 22, 2014 meeting, Philotechnics would like to request that the Commission allow an amendment to the Broker's Application for Importation in accordance with Commission Rule 675.23 (31 Texas administrative code 675.23). The request is to add to Article II. Terms and Conditions of Import Authorization J. Description of Broker's Nonparty Compact Waste approved for importation: (c) Place of origination (State or U.S. Territory) of waste: the states of Colorado, Arizona, Nevada, New Mexico and Connecticut. There are no other changes to be requested to the agreement.

We would be pleased to provide you with any further information upon your request if you or the Commission needs more information in order to act upon the amendment. Please contact me if there are any questions.

Respectfully submitted,
