Re: Amendment to Ecology Services Import Agreement # 2-0086-00

Dear Mr. Hurley:

Ecology Services, Inc. would like to amend our Import Agreement# 2-0086-00 to extend the period it will remain in effect from August 31, 2015 until August 31, 2016. The requested change is necessitated due to unforeseen scheduling delays with the removal of sealed sources at the National Institute of Standards and Technologies (NIST).

All other terms of Agreement # 2-0086-00 remain the same including waste volumes, activity levels, radionuclide content, and waste generator.

Please feel free to contact me if you have any questions.

Sincerely,
