Date: July 1, 2015

Subject: Extension Request for Import Application # 1-0046-01

Texas Low-Level Radioactive Waste Disposal Compact Commission
333 Guadalupe St #3-240
Austin, TX 78701

Dear Commissioners:

Southern Nuclear Operating Company requests to extend the expiration date of the import application from 8/31/2015 to 8/31/2016.

This extension request will allow us to complete shipments that have been postponed due to equipment and scheduling issues.

Should you have any questions regarding the amendment application please contact Mr. Ron Wheeler at 205-992-6802 or email at rwheeler@southernco.com.

Respectfully,

A handwritten signature in black ink, appearing to read "Jim Dixon", written in a cursive style.

Jim Dixon
Fleet Radiation Protection Manager
