RE: Import Agreement (TLLRWDC #2-0088-00)  
Condition Removal

Dear Mr. Collins:

Pursuant to the condition expressed as a part of Article II.J. (c) of your Import Agreement (TLLRWDC #2-0088-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission, I have received evidence to me that you have approval from the Central Interstate Low-Level Radioactive Waste Commission to export low-level radioactive waste as described in Article II.J. of that Agreement which is in effect until August 31, 2016. Therefore, if you export and dispose of low-level radioactive waste after June 30, 2016, you will need a new export authorization from the Central Interstate Low-Level Radioactive Waste Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import from American Airlines Maintenance & Engineering Center to the Compact Facility in Andrews County, Texas such low-level radioactive waste as described in Article II.J. of your Import Agreement (TLLRWDC #2-0088-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission.

  
Brandon T. Hurley, Chairman  
Texas Low-Level Radioactive Waste  
Disposal Compact Commission
