**TEXAS LOW-LEVEL RADIOACTIVE WASTE DISPOSAL COMPACT COMMISSION**

**Order Authorizing the Export of Waste**

**STP Nuclear Operating Company**

On or about June 2, 2020, the Texas Low-Level Radioactive Waste Disposal Compact Commission ("TLLRWDC" or "Commission") received from **STP Nuclear Operating Company** a Petition to Export Class A low-level radioactive waste described as 10,000 cubic feet / 0.75 Curies of low-level Class A bulk dry active waste. Permanent disposal is proposed at the Energy Solutions burial site near Clive, Utah and/or Energy Solutions Bear Creek facility near Oak Ridge, Tennessee. The Petition was filed pursuant to section 3.05(7) of the Texas Low-Level Radioactive Waste Disposal Compact authorizing consideration of such export petitions.

At the Commission's meeting posted for and held on July 9, 2020, a majority of the members of the Commission voted to approve the Petition filed by **STP Nuclear Operating Company**, on the terms stated in the Petition, subject only to the following terms and conditions:

1. **STP Nuclear Operating Company** will supply to the Commission:
  - a. Manifests and/or reports of the volume, mass, and activity sent for ultimate disposal which are satisfactory to the Commission.
  - b. Final reconciliation of waste volume concluded not later than 180 days post Order period.
  - c. The reasons the waste to be exported cannot be disposed of at any facility available to it within the State of Texas.
2. The Period of the shipment of waste from the site of generation is authorized through August 31, 2021.
3. The exportation is permitted only if there is no available disposal option within the State of Texas for the waste to be exported. If there is a significant and verifiable economic savings through disposal outside the state of Texas and STP Nuclear Operating Company does not have a current contract with any disposal facility located within the state of Texas, it may file a request with the Commission to amend this Authorization to allow for the export of waste covered herein.

It is hereby ordered that **STP Nuclear Operating Company** is authorized to export low-level radioactive waste as requested in the Petition, subject only to the terms and conditions as stated in this Order. The Petition is attached to this Order.
