TEXAS LOW-LEVEL RADIOACTIVE WASTE DISPOSAL COMPACT COMMISSION

Order Authorizing the Export of Waste

Comanche Peak Power Company, LLC

On or about May 28, 2020, the Texas Low-Level Radioactive Waste Disposal Compact Commission ("TLLRWDC" or "Commission") received from **Comanche Peak Power Company, LLC** a Petition to Export Class A low-level radioactive waste described as 5,000 cubic feet / 1 curie of low dose rate dry active waste. Treatment and disposal is proposed at the Energy Solutions Bear Creek Facility (Oak Ridge, TN) and the Energy Solutions non-compact commercial facility (Clive, UT). The Petition was filed pursuant to section 3.05(7) of the Texas Low-Level Radioactive Waste Disposal Compact authorizing consideration of such export petitions.

At the Commission's meeting posted for and held on July 9, 2020, a majority of the members of the Commission voted to approve the Petition filed by **Comanche Peak Power Company, LLC**, on the terms stated in the Petition, subject only to the following terms and conditions:

1. **Comanche Peak Power Company, LLC** will supply to the Commission:
 - a. Manifests and/or reports of the volume, mass, and activity sent for ultimate disposal which are satisfactory to the Commission.
 - b. Final reconciliation of waste volume concluded not later than 180 days post Order period.
 - c. The reasons the waste to be exported cannot be disposed of at any facility available to it within the State of Texas.
2. The Period of the shipment of waste from the site of generation is authorized through August 31, 2021.
3. The exportation is permitted only if there is no available disposal option within the State of Texas for the waste to be exported. If there is a significant and verifiable economic savings through disposal outside the state of Texas and Comanche Peak Power Company, LLC does not have a current contract with any disposal facility located within the state of Texas, it may file a request with the Commission to amend this Authorization to allow for the export of waste covered herein.

It is hereby ordered that **Comanche Peak Power Company, LLC** is authorized to export low-level radioactive waste as requested in the Petition, subject only to the terms and conditions as stated in this Order. The Petition is attached to this Order.
