PO box 411
Burlington, KS
66839

Applicant is

Generator

Generator Type

Utility

Is waste from a "small quantity generator"?

No

Import applications generally will be granted only in single fiscal-year increments. If you are seeking a term that would extend beyond the end of a current fiscal year, please explain the unusual experiences that would justify a deviation from this general rule?

October 1, 2021 to August 31, 2022

Waste Volume (Cubic Feet)

700

Waste Radioactivity (Curies)

150

Waste Classification

Class A

Class B

Class C

Waste Form

Unstable

Does the proposed waste consist solely of sealed sources?

No

Compact and/or unaffiliated state, territory, possession, or district of the United States where the waste was generated (please list)

Midwest compact-Kansas

Waste Description

Resins, filters, DAW

Does Applicant have any unresolved violation(s), complaint(s), unpaid fee(s), or past due report(s) with the Texas Low-Level Radioactive Waste Disposal Compact Committee?

No.

Does Applicant have any unresolved violation(s), complaint(s), unpaid fee(s), or past due reports associated with radioactive waste receipt, storage, handling, management, processing, or transportation pending with any other regulatory agency with jurisdiction to regulate radioactive material including, without limitation, the Texas Commission on Environmental Quality (TCEQ)?

No.

Applicant hereby certifies* the following:

The information provided herein is complete, accurate, and correct.

The waste proposed for importation is not waste of international origin.

The low-level radioactive waste for which this Import Application is submitted will be packaged and shipped in accordance with applicable state and federal regulations and is acceptable for disposal at the Compact Facility.

The person submitting this Import Application is authorized by the Applicant to commit Applicant to each and every obligation and condition set forth herein and in the Agreement for Importation of Non-Party Compact Waste. A copy of a written document containing such authorization must be attached to this Import Application.

Applicant has delivered to the specified disposal facility and TCEQ a copy of this Application for Importation of Compact Waste (along with any supplement or amendment thereto).
