Dear Mr. Raines,

With this letter, Holtec Decommissioning International LLC (HDI) is requesting additional volume and curies for disposal under Import Agreement 2-0309-00. The current Import Agreement allows for importation and disposal of 16,500 cubic feet and 560 Curies during the term of the agreement.

Based on our plans to remove additional wastes including resins and filters during this period, HDI will exceed the volume and activity that was originally projected. HDI would like to request that an additional 500 cubic feet and 1800 curies be added to Import Agreement 2-0309-00.

If you have any questions or need further information, please contact me at (856) 797-0900, ext. 3813 or Jim Buckley, Waste Management Lead at 865-399-5076.

Sincerely,

Andrea L. Sterdis
