Re: Import Agreement TLLRWDC #2-0315-00  
Condition Removal Letter #2

Dear Mr. McCormick,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDC #2-0315-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have identified in your March 21, 2022 submittal to the Commission the Generators that will have their sources disposed of at the Compact Facility in Andrews County, Texas.

Also, I have received evidence satisfactory to me that you have received approval from the Rocky Mountain Waste Board and do not need approval from the other compacts where the waste was generated to export low-level radioactive waste from the sites provided in your March 22, 2022 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import from the generators provided in your March 22, 2022 submittal to the Compact Facility in Andrews County, Texas such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDC #2-0315-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission.
