Re: Import Agreement TLLRWDC #2-0315-00  
Condition Removal Letter #3

Dear Mr. McCormick,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDC #2-0315-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have identified in your June 24, 2022 submittal to the Commission the Generators that will have their sources disposed of at the Compact Facility in Andrews County, Texas.

Also, I have received evidence satisfactory to me that you have approval from the Southwestern Low-Level Radioactive Waste Commission and that you do not need approval from the other compacts where the waste was generated to export low-level radioactive waste from the sites provided in your June 24, 2022 submittals to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import from the generators provided in your June 24, 2022 submittals to the Compact Facility in Andrews County, Texas such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDC #2-0315-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission.
