Subject: Indiana Michigan Import Agreement Amendment Request

Dear Mr. Hurley:

Indiana and Michigan Power Company's DC Cook plant is requesting an amendment to its Import Agreement Number 2-0300-00.

We are requesting an additional 100 cubic feet of volume and 75 curies of activity to support the disposal of 2 liners that were moved up in the schedule and were not anticipated when the current Import Agreement was submitted and approved.

If you have questions, please contact me by phone or by email at jgbaab@aep.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan G. Baab".
