Export petitions generally will be granted to expire on August 31 (that is, the end of the Compact's fiscal and operating year). If you are seeking a term that would extend over more than one fiscal year, please explain the unusual circumstances that would justify a deviation from this principle?

From the date the Commission grants export authorization through August 31, 2023.

Waste Volume (Cubic Feet)

5000

Waste Radioactivity (Curies)

1

Waste Classification

Class A

Name and Location of Proposed Treatment and /or Disposal Facility

Energy Solutions LLC, Bear Creek Facility, Oak Ridge, TN / Energy Solutions LLC, Non-compact commercial facility near Clive UT

Approximate Date of Proposed Exportation (if known)

Unknown

Waste Description

Class A Dry Active Waste

Justification for Exportation

Comanche Peak seeks export authority only in the event that the Operator of the Compact Waste Facility is either unable or unwilling to accept Class A LLRW from Comanche Peak for a period of fourteen (14) consecutive calendar days. Please see accompanying cover letter for further explanation of Comanche Peak's export authority request.

Does Applicant have any unresolved violation(s), complaint(s), unpaid fee(s), or past due report(s) with the Texas Low-Level Radioactive Waste Disposal Compact Committee?

No.

Does Applicant have any unresolved violation(s), complaint(s), unpaid fee(s), or past due reports associated with radioactive waste receipt, storage, handling, management, processing, or transportation pending with any other regulatory agency with jurisdiction to regulate radioactive material including, without limitation, the Texas Commission on Environmental Quality (TCEQ)?

No.

Applicant hereby certifies* the following:

The information provided herein is complete, accurate, and correct.

The low-level radioactive waste for which this Export Petition is submitted will be packaged and shipped in accordance with applicable state and federal regulations and is acceptable for disposal at the proposed disposal facility.
