Re: Import Agreement TLLRWDC #2-0373-00  
Condition Removal Letter #2

Dear Ms. Bulechek,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDC #2-0373-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have been authorized by the Generators provided in your April 14, 2023 submittal to the Commission to act as their Broker.

Also, I have received evidence satisfactory to me that you have approvals from the Southwest Compact and the Rocky Mountain Low Level Radioactive Waste Board to export low-level radioactive waste from the sites provided and do not require approval from the other compacts where the waste was generated to export low-level radioactive waste from the sites provided in your April 14, 2023 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import for disposal to the Compact Facility in Andrews County, Texas from the generators, provided in your April 14, 2023 submittal such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDC #2-0373-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission.

  
Brandon T. Hurley, Chairman
