

August 16, 2023

Texas Low-Level Radioactive Waste Disposal Compact Commission
919 Congress Avenue, Suite 830
Austin, Texas 78701

Attention : **Mr. Brandon T Hurley**
 Chairman

Subject: **Amendment for C&C Environmental Import Agreement TLLRWDC #2-**
 0367-00

Dear Commissioner Hurley:

C&C Environmental Inc is requesting an amendment to the import agreement TLLRWDC 2-0367-01 based on increased disposal requests from several DoD customers. The amendment is to request additional volume and activity for this agreement effective through August 31, 2024.

This request is for an additional 30 cubic feet and an additional 150 Curies.

The total aggregate for the agreement is requested to be increased to 60 cubic feet and 155 curies.

Please let me know if you have any questions.

Sincerely,

Chad Hollaway
