RE: TLLRWDCC #2-0406-00

Dear Mr. Hurley:

DTE Energy Fermi 2 Power Plant is requesting an amendment to its Import Agreement Number 2-0406-00. We are requesting an additional total activity of 18,000 curies (for a revised total of 20,000 curies) for the current Fiscal Year ending August 31, 2024.

The volume will remain the same (300 cf) as identified in the agreement.

We are also requesting for this to be reviewed in the November meeting slot (but not currently scheduled).

If you have questions, please contact me at (734) 586-9853 or (269) 214-0009 (mobile).

Sincerely,

A handwritten signature in black ink, appearing to be "JOSEPH OSBORN", written over a circular stamp or seal.
