Re: Import Agreement TLLRWDDC #2-0395-00  
Condition Removal Letter #3

Dear Mr. Owoc,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDDC #2-0395- 00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have been authorized by the Generator provided in your December 5, 2023 submittal to the Commission to dispose of waste. This submittal includes shipment numbers: 23RW-027.

Also, I have received evidence satisfactory to me that these shipment numbers do not require other Compact authorizations to export low level radioactive waste from the generators provided in your December 5, 2023 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import for disposal to the Compact Facility in Andrews County, Texas from the generators, provided in your December 5, 2023 submittal such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDDC #2-0395-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission.
