Re: Import Agreement TLLRWDDC #2-0404-00  
Condition Removal Letter #1

Dear Mr. Martinez,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDDC #2-0404- 00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received as an attachment to an email dated April 22, 2024 with an export authorization from the Southwestern Low-Level Radioactive Waste Commission. This satisfies the requirement to provide written evidence satisfactory to the Commission of the approval for the export of out-of-compact waste from the Southwest Compact.

Therefore, you are authorized as of the date of your receipt of this communication to import from GE Hitachi Nuclear Americas to the Compact Facility in Andrews County, Texas such low-level radioactive waste as described in Article II.J. of your Import Agreement (TLLRWDDC #2-0404-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission.
