Justification for Exportation

The exportation of waste is permitted if the Compact Waste Facility is either unable or unwilling to accept waste from STP Nuclear Operating Company (STPNOC) for a period of fourteen consecutive days. Upon the giving of notice of the exportation of waste to the Executive Director of the Compact Commission and the operator of the Compact Waste Facility following said fourteen-day period, STP Nuclear Operating Company (STPNOC) shall be authorized to export waste forthwith under the terms of this Order.

Export authority shall cease upon a determination by the Compact Commission that the Compact Waste Facility is ready, willing and able to again accept waste from STP Nuclear Operating Company (STPNOC).

Does Applicant have any unresolved violation(s), complaint(s), unpaid fee(s), or past due report(s) with the Texas Low-Level Radioactive Waste Disposal Compact Committee?

No.

Does Applicant have any unresolved violation(s), complaint(s), unpaid fee(s), or past due reports associated with radioactive waste receipt, storage, handling, management, processing, or transportation pending with any other regulatory agency with jurisdiction to regulate radioactive material including, without limitation, the Texas Commission on Environmental Quality (TCEQ)?

No.

Applicant hereby certifies* the following:

The information provided herein is complete, accurate, and correct.

The low-level radioactive waste for which this Export Petition is submitted will be packaged and shipped in accordance with applicable state and federal regulations and is acceptable for disposal at the proposed disposal facility.
