Re: Import Agreement TLLRWDC #2-0461-00  
Condition Removal Letter #1

Dear Mr. McCartt,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDC #2-0461-00 with the Texas Low Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have identified in your March 20, 2025 submittal to the Commission the Generator that will have their source disposed of at the Compact Facility in Andrews County, Texas.

Also, I have received evidence satisfactory to me that you do not need approval from the Southeast Compact where the waste was generated to export low-level radioactive waste from the site provided in your March 20, 2025 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import from the generators provided in your March 20, 2025 submittal to the Compact Facility in Andrews County, Texas such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDC #2-0461-00 with the Texas Low Level Radioactive Waste Disposal Compact Commission.
