Re: Import Agreement TLLRWDCC #2-0440-00  
Condition Removal Letter #1

Dear Mr. McCartt,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDCC #2-0440-00 with the Texas Low Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have identified in your June 11, 2025 submittal to the Commission, that PermaFix is the Generator in this instance and not a broker, will have your source disposed of at the Compact Facility in Andrews County, Texas.

Also, I have received evidence satisfactory to me that you do not need approval from the Southeast Compact where the waste was generated to export low-level radioactive waste from the site provided in your June 11, 2025 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import waste provided in your June 11, 2025 submittal to the Compact Facility in Andrews County, Texas such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDCC #2-0440-00 with the Texas Low Level Radioactive Waste Disposal Compact Commission.
