Mr. Brandon Hurley

Texas Low-Level Radioactive Waste Disposal Commission

919 Congress Avenue, Suite 830

Austin, Texas 78701

Dear Mr. Hurley,

TMMC (Toxco Materials Management Center) is requesting a fourth amendment to our Import Agreement #2-0426-03. We wish for the following changes to be made to accommodate the disposal of sealed sources.

- 1) We wish to add sealed sources to the waste description in Article II. J. (d) so that it reads "(d) Waste description: Resin, Metal, DAW, *Sealed Sources*."
- 2) We also wish to change Article II. J. (h) to state "Sealed Source: yes"

This request is essential due to our role in collecting, handling, and transporting sealed sources for disposal.

If you have any questions, please contact me at (865) 482-5532.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jonathan Chung', written in a cursive style.
