Re: Import Agreement TLLRWDCC #2-0441-00
Conditional Removal Letter #4

Dear Mr. Otlowski,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDCC #2-0441-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have been authorized by the Generators provided in your July 10, 2025 submittal to the Commission to act as their Broker.

Also, I have received evidence satisfactory to me that you do not need approval from any compact to export low-level radioactive waste from the sites provided and do not require approval from the other compacts where the waste was generated to export low-level radioactive waste from the sites provided in your July 10, 2025 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import for disposal to the Compact Facility in Andrews County, Texas from the generators, provided in your July 10, 2025 submittal such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDCC #2-0441-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission.
