Dear Mr. Otlowski,

Pursuant to the conditions expressed as part of Article II.J. Also, I have received evidence satisfactory to me that you have approval from the Southwest Compact where the waste was generated to export low-level radioactive waste from the sites provided in your January 14, 2026 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import for disposal to the Compact Facility in Andrews County, Texas from the generator provided in your January 14, 2026 submittal such low-level radioactive waste as is described in Article II.J.
