Re: Import Agreement TLLRWDC #2-0498-00 Conditional Removal Letter #3

Dear Ms. Kizer,

Pursuant to the conditions set forth in Article II.J.(c) of your Import Agreement TLLRWDC #2-0498-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have been authorized by the generator identified in your May 28, 2026 submittal to the Commission to dispose of waste.

I have also received evidence satisfactory to me that the shipment numbers referenced in your May 28, 2026 submittal do not require additional Compact authorization to export low-level radioactive waste from the generator identified therein.

Accordingly, as of the date of your receipt of this communication, you are authorized to import for disposal at the Compact Facility in Andrews County, Texas, from the generator identified in your May 28, 2026 submittal, such low-level radioactive waste as is described in Article II.J.(c) of your Import Agreement TLLRWDC #2-0498-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission.

Signed by:

Brandon T. Hurley
