Re: Import Agreement TLLRWDCC #1-0518-00

Condition Removal Letter #1

Dear Mr. MacDowall,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDCC #2-0518-00 with the Texas Low Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have identified in your September 17, 2026 submittal to the Commission the Generators that will have their source disposed of at the Compact Facility in Andrews County, Texas.

Also, I have received evidence satisfactory to me that you have approval from the Southwest Compact and Rocky Mountain Low-Level Radioactive Waste Board where the waste was generated to export low-level radioactive waste from the sites provided in your September 17, 2026 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import from the generators provided in your September 17, 2026 submittal to the Compact Facility in Andrews County, Texas such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDCC #2-0518-00 with the Texas Low Level Radioactive Waste Disposal Compact Commission.

Signed by:

Brandon T. Hurley, Chairman
Texas Low-Level Radioactive Waste
Disposal Compact Commission
