Re: Import Agreement TLLRWDCC #2-0545-00 Conditional Removal Letter #2

Dear Mr. Leese,

Pursuant to the conditions expressed as part of Article II.J.(c) of your Agreement TLLRWDCC #2-0545-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have been authorized by the Generator provided in your September 22, 2026 submittal to the Commission to dispose of waste. This submittal includes shipment number: 26RW-0014.

I have also received evidence satisfactory to me that you have approval from the Southwest Compact to export low-level radioactive waste, and that the other generators on the list provided in your September 22, 2026 submittal do not require additional Compact authorizations.

Therefore, you are authorized as of the date of your receipt of this communication to import for disposal to the Compact Facility in Andrews County, Texas, from the generator provided in your September 22, 2026 submittal, such low-level radioactive waste as is described in Article II.J.(c) of your Import Agreement TLLRWDCC #2-0545-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission.

Signed by:

Brandon T. Hurley
