(Minimum terms that must be addressed in any Waste Importation Agreement offered to the Texas Low-Level Radioactive Waste Disposal Compact Commission in connection with an Application to Import Waste).

- A. The proposed beginning and ending dates.
- B. Compliance with all applicable federal and state laws and rules including, without limitation, §8.03 of the Compact as compiled in Texas Health and Safety Code (THSC), Chapter 403.
- C. Liability for applicants' own acts, omissions, conduct, and relationships in accordance with applicable law.
- D. Acknowledgement that the Commission under any circumstances may amend or revoke the agreement with prior notice and that under emergency circumstances the Commission may suspend authorization to import with such notice as it is able to give under the circumstances.
- E. Agreement shall not be assignable or transferable to any other person.
- F. Agreement is subject to receipt by the Compact Facility Operator and the Commission of written certification from the Texas Commission on Environmental Quality (TCEQ) prior to the acceptance of Generator's Non-Party Compact Waste that the waste to be imported is authorized for disposal under the Compact Facility license.
- G. A description of the characteristics of the waste proposed for importation including (but not limited to) volume, type, physical form, total radioactivity, and radionuclide-specific activities.
- H. A representation by the applicant that it has disclosed:

- (1) The existence of unresolved violations pending against the applicant with any other regulatory agency with jurisdiction to regulate radioactive material.
  - (2) The existence of any unresolved violation(s), complaint(s), unpaid fee(s), or past due report(s) that the applicant has with the Commission.
  - (3) The existence of any unresolved violation(s), complaint(s), unpaid fee(s), or past due reports that the applicant has with any other regulatory body, including, without limitation, the TCEQ.
- I. An acknowledgement that a misrepresentation with respect to an item listed in H may result in the cancellation of the agreement.
  - J. The obligation to report immediately to the Commission any allegation of the violation of any law, rule, or regulation related to the storage, shipment, or treatment of any form of radioactive material.
  - K. A provision acknowledging the right of the Commission to audit or cause to be audited compliance with the agreement.
  - L. Agreement to comply to the extent applicable with the rules related to commingling adopted by the TCEQ in coordination with the Commission pursuant to THSC, §401.207(k).
  - M. An affirmation that no waste of international origin shall ever be included in the materials to be imported to the Compact Facility.
  - N. Any other matter required by 31 TAC §675.23 to be included in the agreement.
