RE: Import Agreement (TLLRWDC #2-0094-01)
Condition Removal Letter

Dear Mr. Smith:

Pursuant to the condition expressed as a part of Article II.A of your Import Agreement Amendment (TLLRWDC #2-0094-01) with the Texas Low-Level Radioactive Waste Disposal Compact Commission, I have received information in an email dated September 6, 2016 providing the volume and curies disposed at the Compact Waste Facility in Andrews, Texas from September 1, 2015 through August 31, 2016. According to the letter and spreadsheet attachments to the email, Exelon Generation has disposed of 1,524.9 curies (of 6,500 curies allowed) and 2,364.4 cubic feet (of 4,255 cubic feet allowed). This leaves 4975.1 curies and 1,890.6 cubic feet remaining to be disposed under amended Agreement TLLRWDC #2-0094-01.

Therefore, you are authorized as of the date of your receipt of this communication to import from Exelon Generation to the Compact Facility in Andrews County, Texas such low-level radioactive waste as described in Article II.J. of your amended Import Agreement (TLLRWDC #2-0094-01) with the Texas Low-Level Radioactive Waste Disposal Compact Commission.

Brandon T. Hurley, Chairman
Texas Low-Level Radioactive Waste
Disposal Compact Commission
