Re: Import Agreement TLLRWDCC #2-0133-00
Condition Removal Letter #3

Dear Mr. Otlowski,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDCC #2-0133-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have been authorized by the Generators provided in your June 29, 2017 submittal to the Commission to act as their Broker.

In addition, I have received notification via email on July 13, 2017 that you wish to revise your initial submittal, removing the source from the Southwest Compact (California). As such, this source is excluded from this Condition Removal Letter. There are no other sources in your July 13, 2017 submittal that require export authorization from another Compact.

Therefore, you are authorized as of the date of your receipt of this communication to import for disposal to the Compact Facility in Andrews County, Texas from the generators provided in your June 29, 2017 submittal (excluding the Southwest Compact Source) such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDCC #2-0133-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission.
