Agenda

- 8:15 – 9:00 Registration/Check-in. Morning Refreshments will be available
- 9:00 – 9:15 Session Begins – Welcome and Introductions around the room.
- 9:15 – 10:15 RSO responsibilities – Ken Krieger (Radiation Technology, Inc.) and Mike Albanese (Qal-Tek Associates). This talk will focus on what an RSO needs to know including: 1) role and responsibilities, 2) documenting a radiation safety program, 3) training and mentorship opportunities, 4) documentation for future inspections
- 10:15 – 10:30 Questions and discussion
- 10:30 – 10:45 Morning Break – refreshments served
- 10:45 – 11:45 RCRA and Low-Level Waste – John Fassell (CDPH), David Carlson (WCS), Dan Shrum (Energy Solutions). This talk will include an update on what a RCRA facility will accept for disposal in California, discussion about the NRC Scoping Study for Very Low-Level Waste (VLLW), when can LLW become qualified to go to WCS RCRA facility, and why is VLLW being considered as a new category
- 11:45 – noon Questions and discussion
- Noon – 12:45 Lunch served
- 12:45 – 1:45 The Southwest Compact and the Texas Vermont Compact – Kathy Davis (Southwest Compact), Leigh Ing (TLLRWDC). Topics will include: 1) what is a Compact, 2) differences between the TX-VT Compact and the TX waste disposal facility (WCS), 3) the required forms for exporting and importing to Compacts, 4) role a waste broker can play, 5) discussion on the Management Rule in the State of Texas-what does that mean to the Southwest Compact, 6) potential future fees, 7) future of a waste disposal facility in the Southwest
- 1:45 – 2:00 Questions and discussion
- 2:00 – 2:15 Afternoon break
- 2:15 – 3:15 Update from disposal facilities and state regulators – David Martin (NNSA), Sherry Frenette (WCS), Andrew Tachovsky (TLLRWDC). Topics will include: 1) Processes to export waste from the Southwest Compact to WCS, 2) WCS inspection and verification of VLLW, 3) the 2018 Radiation Source Protection and Security Task Force Report, 4) SCATR program funding and plan for the future, 5)
- 3:15 – 3:30 Questions and Discussion
- 3:30 Adjourn
