Re: Import Agreement TLLRWDCC #2-0230-00  
Condition Removal Letter #1

Dear Mr. McCormick,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDCC #2-0230-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (Commission), I have received evidence satisfactory to me that you have identified in your December 3, 2019 submittal to the Commission the Generators that will have their sources disposed of at the Compact Facility in Andrews County, Texas.

Also, I have received evidence satisfactory to me that you do not need approval from the compact where the waste was generated, the Southeast Compact, to export low-level radioactive waste from the sites provided in your December 3, 2019 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import from the generators provided in your December 3, 2019 submittal to the Compact Facility in Andrews County, Texas such low-level radioactive waste as is described in Article II.J. (c) of your Import Agreement TLLRWDCC #2-0230-00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission.
