

FPL Energy
Seabrook Station

SUBJECT: TLLRWDC #2-0223-00 Amendment
FROM: Elizabeth Mohan **DATE:** December 17, 2019
TO: Texas Low Level Radioactive Waste Disposal Compact Commission

This letter provides that FPL Energy Seabrook Station, LLC would request to submit an amendment to #02-0223-00. The request is for an increase to the 'waste radioactivity in curies' to 120 curies. Thank you for your consideration.
