Re: Import Agreement TLLRWDC #2-0219-00  
Condition Removal Letter #1

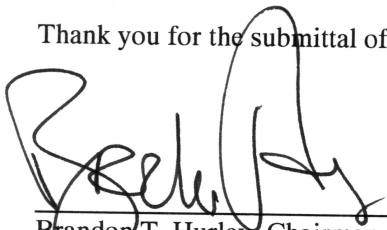

Dear Mr. Wiza,

Pursuant to the conditions expressed as part of Article II.J. (c) of your Agreement TLLRWDC #2-0219- 00 with the Texas Low-Level Radioactive Waste Disposal Compact Commission (the "Commission"), the Commission has received evidence satisfactory that you have been authorized by the Generators provided in your April 22, 2020 submittal to the Commission to act as their Broker.

Also, the Commission has received evidence satisfactory that you have received approval from the Rocky Mountain Radioactive Waste Board and the Southwestern Low-Level Radioactive Waste Commission to export low-level radioactive waste from the site identified in your April 22, 2020 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import from the generators listed in your April 22, 2020 submittal to the Compact Facility in Andrews County, Texas, the low-level radioactive waste described in Article II.J. (c) of your Import Agreement TLLRWDC #2-0219-00 with the Commission.

Thank you for the submittal of the information necessary for this condition removal.
