RE: Import Agreement (TLLRWDC #2-0242-00)
Condition Removal Letter #1

Dear Mr. Coleman:

Pursuant to the condition expressed as a part of Article II.J of your Import Agreement Amendment (TLLRWDC #2-0242-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission, I have received as an attachment to an email dated June 18, 2020 export authorization from the Southwestern Low-Level Radioactive Waste Commission. This satisfies the requirement to provide written evidence satisfactory to the Commission of the approval for the export of out-of-compact waste from the Southwest Compact.

Therefore, you are authorized as of the date of your receipt of this communication to import from PG&E Diablo Canyon to the Compact Facility in Andrews County, Texas such low-level radioactive waste as described in Article II.J. of your Import Agreement (TLLRWDC #2-0242-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission.

Brandon T. Hurley, Chairman
Texas Low-Level Radioactive Waste
Disposal Compact Commission
