RE: Import Agreement (TLLRWDCC #2-0266-00)
Condition Removal Letter #1

Dear Ms. Kizer

Pursuant to the condition expressed as a part of Article II.J of your Import Agreement Amendment (TLLRWDCC #2-0266-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission, I have received as an attachment to an email dated November 25, 2020 with generator authorization approval from QSA Global, Inc. This satisfies the requirement to provide written evidence satisfactory to the Commission of the approval for the import of out-of-compact waste.

Also, I have received evidence satisfactory to me that these shipment numbers do not require other Compact authorizations to export low level radioactive waste from the site provided in your November 25, 2020 submittal to the Commission.

Therefore, you are authorized as of the date of your receipt of this communication to import from Unitech Services Group to the Compact Facility in Andrews County, Texas such low-level radioactive waste as described in Article II.J. of your Import Agreement (TLLRWDCC #2-0266-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission.

Brandon T. Hurley, Chairman
Texas Low-Level Radioactive Waste
Disposal Compact Commission
