RE: Import Agreement (TLLRWDEC #2-0252-00)
Condition Removal Letter #2

Dear Mr. Haught:

Pursuant to the condition expressed as a part of Article II.J of your Import Agreement Amendment (TLLRWDEC #2-0252-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission, I have reviewed an export authorization from the Southwestern Low-Level Radioactive Waste Commission (WCS-20-017) dated December 28, 2020. This satisfies the requirement of written evidence satisfactory to the Commission of the approval for the export of out-of-compact waste from the Southwest Compact.

Therefore, you are authorized as of the date of your receipt of this communication to import from APS Palo Verde Generating Station to the Compact Facility in Andrews County, Texas such low-level radioactive waste as described in Article II.J. of your Import Agreement (TLLRWDEC #2-0252-00) with the Texas Low-Level Radioactive Waste Disposal Compact Commission.

Brandon T. Hurley, Chairman
Texas Low-Level Radioactive Waste
Disposal Compact Commission
