Dear Mr. Hurley:

Pacific Gas & Electric Company is requesting an amendment to its Import Agreement Number 2-0254-00. We are requesting an additional volume of 15 cubic feet for the current Fiscal Year ending August 31, 2021.

We are requesting this additional volume because a container shipped last year had a model number of 165 whereas the actual disposal volume was 180 ft³. No additional activity is needed.

If you have questions, please contact me at (805) 545-4582 or (805) 458-3371.

Sincerely,

A handwritten signature in blue ink that reads 'cc miller'.

C. C. Miller
Principal Engineer
Pacific Gas & Electric
Diablo Canyon Power Plant
